Vitru Announces Filing of “Universal Shelf” Registration Statement on Form F-3

Florianópolis, Brazil, October 26, 2021 – Vitru Limited, or Vitru (Nasdaq: VTRU), today announced that it has filed on October 25, 2021 a "universal shelf" registration statement on Form F-3 (the "Registration Statement") with the Securities and Exchange Commission (the "SEC") for the registration of common shares, senior debt securities, subordinated debt securities, warrants, rights or units consisting of the foregoing securities (collectively, the "Securities").

Once the Registration Statement is declared effective by the SEC, up to U.S.\$400 Million of Securities may be offered by Vitru, separately or together, from time to time and in one or more offerings. In addition, any selling shareholders named in a prospectus supplement may offer and sell, from time to time, up to 23,538,503 common shares.

The Registration Statement is intended to afford Vitru the flexibility to promptly access the public capital markets in order to respond to future financing and business opportunities on a timely and cost-effective basis. The terms of any potential offering, including the specific terms and prices of the Securities, will be determined at the time of such offering and be made solely by means of the prospectus included in the Registration Statement and any prospectus supplement that may be filed with the SEC relating to such offering.

The Registration Statement has been filed with the SEC but has not yet become effective. The Securities may not be sold, nor may offers to buy the Securities be accepted, prior to the time the Registration Statement becomes effective. This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities law of any such state or jurisdiction.
