## EXPLANATORY NOTE

We are amending our Annual Report on Form 20-F for the fiscal year ended December 31, 2021 (the “Annual Report” as originally filed with the U.S. Securities and Exchange Commission (the “SEC”) on March 30, 2022) for the purpose of disclosing our reliance on certain foreign private issuer exemptions to Nasdaq Rules by amending and restating the sections captioned “Item 16G. Corporate Governance—Foreign Private Issuer Status” and “Item 16G. Corporate Governance—Principal Differences between Cayman Islands and U.S. Corporate Law—Corporate Governance” as set forth below.

Other than set forth above, this Form 20-F/A does not, and does not purport to, amend, update or restate the information in any other item of the Annual Report as originally filed with the SEC. As a result, this Form 20-F/A does not reflect any events that may have occurred after the Annual Report was filed on March 30, 2022.

## ITEM 16G. CORPORATE GOVERNANCE

### Foreign Private Issuer Status

Nasdaq listing rules include certain accommodations in the corporate governance requirements that allow foreign private issuers, such as us, to follow “home country” corporate governance practices in lieu of the otherwise applicable corporate governance standards of Nasdaq. The application of such exceptions requires that we disclose each noncompliance with Nasdaq listing rules that we do not follow and describe the Cayman Islands corporate governance practices we do follow in lieu of the relevant Nasdaq corporate governance standard. As a foreign private issuer, we currently rely, and will continue to rely, on the foreign private issuer exemption with respect to the following rules:

- Nasdaq Rule 5605(b), which requires that independent directors comprise a majority of a company’s board of directors. As allowed by the laws of the Cayman Islands, independent directors do not comprise a majority of our board of directors.
- Nasdaq Rule 5605(e)(1), which requires that a company have a nominations committee comprised solely of “independent directors” as defined by Nasdaq. As allowed by the laws of the Cayman Islands, we do not have a nominations committee nor do we have any current intention to establish one.
- Nasdaq Rule 5605(d) & (e), which require that compensation for our executive officers and selection of our director nominees be determined by a majority of independent directors. As allowed by the laws of the Cayman Islands, we do not have a nomination and corporate governance committee or remuneration committee nor do we have any current intention to establish either.
- Nasdaq Rule 5635, which requires that a listed issuer obtain shareholder approval prior to an issuance of securities in connection with: (i) the acquisition of the stock or assets of another company; (ii) equity-based compensation of officers, directors, employees or consultants; (iii) a change of control; and (iv) transactions other than public offerings. Pursuant to the laws of the Cayman Islands and our Articles of Association, we are not required to obtain any such approval.

## Principal Differences between Cayman Islands and U.S. Corporate Law

### *Corporate Governance*

Cayman Islands law restricts transactions between a company and its directors unless there are provisions in the Articles of Association which provide a mechanism to alleviate possible conflicts of interest. Additionally, Cayman Islands law imposes on directors' duties of care and skill and fiduciary duties to the companies which they serve. Under Vitru's Articles of Association, a director must disclose the nature and extent of his interest in any contract or arrangement, and following such disclosure and subject to any separate requirement under applicable law or the listing rules of the Nasdaq, and unless disqualified by the chairman of the relevant meeting, the interested director may vote in respect of any transaction or arrangement in which he or she is interested. The interested director shall be counted in the quorum at such meeting and the resolution may be passed by a majority of the directors present at the meeting.

Subject to the foregoing and our Articles of Association, our directors may exercise all the powers of Vitru to vote compensation to themselves or any member of their body in the absence of an independent quorum. We currently have no intention to establish a Compensation Committee.

As a foreign private issuer, we are permitted to follow home country practice in lieu of certain Nasdaq corporate governance rules, subject to certain requirements. We currently rely, and will continue to rely, on the foreign private issuer exemption with respect to the following rules:

- Nasdaq Rule 5605(b), which requires that independent directors comprise a majority of a company's board of directors. As allowed by the laws of the Cayman Islands, independent directors do not comprise a majority of our board of directors.
- Nasdaq Rule 5605(e)(1), which requires that a company have a nominations committee comprised solely of "independent directors" as defined by Nasdaq. As allowed by the laws of the Cayman Islands, we do not have a nominations committee nor do we have any current intention to establish one.
- Nasdaq Rule 5605(d) & (e), which require that compensation for our executive officers and selection of our director nominees be determined by a majority of independent directors. As allowed by the laws of the Cayman Islands, we do not have a nomination and corporate governance committee or remuneration committee nor do we have any current intention to establish either.
- Nasdaq Rule 5635, which requires that a listed issuer obtain shareholder approval prior to an issuance of securities in connection with: (i) the acquisition of the stock or assets of another company; (ii) equity-based compensation of officers, directors, employees or consultants; (iii) a change of control; and (iv) transactions other than public offerings. Pursuant to the laws of the Cayman Islands and our Articles of Association, we are not required to obtain any such approval.
